& NO VENUE FEE**

At Bier Markt, we've mastered the art of brewing perfectly planned parties. From a sit down dinner with a prix fixe menu to a casual mingler with passed hors d'oeuvres & cocktails, our lively venues are the ideal destination for your next corporate or social event. Our **complimentary event planners** take pride in providing a consultative experience to ensure your event is fully customized to fit your unique vision and budget.

FOOD

Hosting a group with diverse preferences? Our from-scratch menus were made for you. We offer three prix fixe menus to cover a seated lunch or dinner, and a mouth-watering selection of shareable options for a cocktail reception or mingling event. Select from Chef-attended tasting stations (e.g. Beef Carvery. Poutine! Mac & Cheese!?), passed around hors d'oeuvres, stationary platters & share boards. We're no stranger to good taste.

BEVERAGE

Our Prud'homme certified team members will guide your Guests through our extensive beverage offerings, including 150 Biers from 30 different countries, a selection of ciders, and a well-rounded list of wines and cocktails. Looking to stay on budget? We offer drink tickets or host bar to establish structure, and then build in welcome beverages, beer pairings or other customizable options to elevate each experience. Standard or premium, we've got you covered.
